Composite post insulator, strong, 25 kV, for tube fitting 5153.1

Material
Synthetic

Fasteners
Supplied complete with spring washer M 12, hexagonal nut and bolt M 12, half collar, rod ø 88, connection tube end fitting and flange end fitting.

Tensile force
F_{min} (kN) = 21

Weight
G (kg) = 25,6

Drawing number
424.00164

Ordering information
5153.1 Composite post insulator, strong, 25 kV, for tube fitting
