

Material

Insulation Synthetic material

Fittings Fe stainless

Type	Used for
1	with clamp for stitch wire for cable \varnothing 6 mm
2.1	with pulley for stitch wire for cable \varnothing 6 mm
2.2	with pulley for kevlar rope \varnothing 10 mm
3	with hinged rope clamp
4	with contact wire swivel clip, groove type
5	for steady arm tube
6	with eyebolt for hinged suspension, suspension, delta cable
7	with feeder suspension clamp
8	with hold-down clamp, spring-loaded and movable

Note

When ordering state tube diameter.

Standard diameters 70 mm

Other diameters on request

Associated parts

Hinged rope clamp 5351

Contact wire swivel clip 5557

Steady arm tube

with eye end fitting 5523

Delta cable 5565 onw

Feeder suspension clamp 5353

Flat laying steady arm 5571

Fasteners

Supplied complete with U-Bolts.

Resistance

valid for all types, exclusive for type 8

F_{1Rd} (kN) = 2

F_{2Rd} (kN) = 4

Drawing number

353.00351 - .00351-7

Ordering information

On tube \varnothing 70 mm, with contact wire swivel clip,

groove type

2187.70.4 Insulated suspension for tube 70

mm, 1.5 kV
